

RYDER PARK COMMUNITY TREE PLANTING

SATURDAY, OCT 14TH STARTING AT 9 AM

Join the Town, your neighbors and the Onondaga Earth Corps to replace trees that are coming down due to an invasive insect, the **emerald ash borer** (EAB).

PLANT & MAINTAIN TREES LEARN ABOUT EAB

The Town will provide all needed supplies and teach you how to plant the trees.
Pizza for all!

RSVP to events@onondagaeearthcorps.org | 315-565-3797 | online at www.onondagaeearthcorps.org/events.

Day-of registrations are also welcome.

This project was made possible through funding by the US Forest Service's Great Lakes Restoration Initiative and with assistance from Onondaga County Soil and Water District.
