# Be an OEC Sponsor

Earth Corps Encore is Onondaga Earth Corps' annual fundraiser, where we celebrate the many youth and young adults that come through our program.

At our event this year, attendees should expect to meet and hear from current crew members, alumni, and OEC staff. Dinner and Entertainment is also provided.

The crews have been hard at work planting trees, weeding, cleaning Syracuse City streets, and educating the public about the environment, and we want an Encore!

**This event is funded by sponsors like you. Help us make it happen! Find out how to be a sponsor of Earth Corps Encore 2019 by contacting:**
