Develop skills and gain experience while exploring careers in landscape and forestry through team based field work.

Youth Program Position: OEC is looking for program participants to join an “earn to learn” style program. Youth crewmembers will have opportunities to educate the community about the benefits of environmental stewardship through completing environmental and neighborhood improvement projects, primarily in the City of Syracuse.

Staff Crew Leader Position: A Crew Leader is a field position that directly supervises a small crew of program participants and is key to OEC’s community based programs. Successful candidates will demonstrate high standards, attention to detail, compassion, excellent judgment, and the desire to devote themselves to youth development/mentorship and environmental conservation.

Onondaga Earth Corps (OEC) is a youth conservation corps program, that focuses on community and environmental stewardship. This is done through completing environmental and neighborhood improvement projects. OEC is continually accepting applications for seasonal positions.
